

Fine Arts Department Annual Pie Sale

Selling Weeks: October 3 to October 17, 2014

Pick Up Day: Friday, November 21, 2014 from 2-7pm.

Pies **must** be picked up **THIS DAY ONLY** because they are frozen and must be put in a freezer as soon as possible! Please make these arrangements ahead of time.

Here's what to do:

Sell the pies to family, neighbors, parent's coworkers, friends, etc... (we do not suggest door to door sales to people you do not know) remember the pies must be delivered to your buyers on November 21, 2014 or kept in your own freezer until you can deliver them.

Fill out your sales sheet completely. Get more sales sheets from your music teacher if you need them. Be sure that all pies are **Prepaid**. Payment should be by **check only**, made out to: **P.O.P.S.** Tally your sales sheets. Be sure your numbers are correct. Return all sales sheets and checks in the envelope provided. We will have a copy of your sales sheets for you when you pick up your pies on **Friday, November 21, 2014 between 2-7pm.**

All sales sheets and checks must be returned to your teacher by **Monday, October 20, 2014**. No late orders will be accepted. You must return your sales envelope even if you sell no pies.

Where does the money go?

Each student will be credited \$5.00 per pie sold to their own personal field trip account to be used to help pay their expenses for the music department field trips.

The profit from any extra pies sold will be put aside in a chaperone account.
