

We're going to make our own Facebook for Band!

Today, you make your own Band profile 😊

Here are your directions:

1. Go to <http://www.EWGBands.com>, and navigate to the JH Band page (look at the menu on the left).
2. Download the document titled **EWGBandBook.pdf** and open it in **Notability**. If you don't have notability, you'll have to be creative to fulfill this assignment in the best, most accurate way possible.
There are essentially three sections of questions; Personal Band History, Strengths/Weaknesses, and Inspirations. Answer ALL of the questions in complete sentences (at least 1 per questions). Please type all your answers on the lines provided – if you run out of room, continue the responses further into the notability file.
3. Take a selfie for your profile pic!
4. Type your name on the top left hand side of the profile (use a white font to stay with the Facebook theme).
5. For the **Inspirations** section, you'll need to find two professional who play the same instrument that you do. Use the **links below** to find a well known professional; Take the time to find two that you find interesting. Find a video of them performing, or some photos of them with their instrument, etc.
6. PLEASE remember to type your responses.
